Dear Congressman Dreier:

**HOUSE OF REPRESENTATIVES BILL 3900 - SUPPORT
AS INTRODUCED ON SEPTEMBER 27, 2005
THE JUSTICE FOR PEACE OFFICERS ACT**

The Los Angeles County Sheriff's Department is proud to support your House of Representatives Bill 3900 (HR 3900). This Bill would make it a federal crime to murder any peace officer engaged in, or on account of the performance of, his or her official duties, and flee to another state or foreign country to avoid prosecution. Additionally, this Bill gives local and state officials the opportunity to prosecute these criminals prior to any action being taken on the federal level, provides for stricter penalties for those convicted of this terrible crime, and directs the Secretary of State to enter into formal discussions with the Mexican government on the United States-Mexico Extradition Treaty.

Deputy David March, a seven-year veteran of this Department, was gunned down on April 29, 2002, while conducting a "routine" traffic stop on Armando Garcia in the City of Irwindale. After this deadly altercation, Mr. Garcia fled to Mexico to escape prosecution and refuses to return to the United States to face the charge of Murder on a Peace Officer. Like you, many local, state, and federal officials have met with the Mexican Government regarding this issue, however, Mr. Garcia remains a free man.

House of Representatives Bill 3900 provides prosecutors and law enforcement a powerful tool to apprehend violent criminals because they can use the federal government's power, resources, and leverage to seek justice for the victim's family and friends.

A Tradition of Service

The Honorable David Dreier
